

10 years of Degree Course in Pharmacy Tor Vergata: Shaping Pharmacist's Future and Honorary Doctorate in Biochemistry and Molecular Biology

Villa Mondragone
University of Rome Tor Vergata

10th May 2019

ORGANIZING COMMITTEE

Eleonora Candi, Full Professor of Molecular Biology, Tor Vergata

Gerry Melino, Full Professor of Biochemistry, Tor Vergata

Robert Nisticò, Coordinator of the Degree Course in Pharmacy, Tor Vergata

Mauro Piacentini, Full Professor of Cellular and Molecular Biology, Tor Vergata

PROGRAMME

09.00 Opening **R. Nisticò, O. Rickards, M. Piacentini, G. Melino, O. Schillaci, G. Novelli, G. Nisticò**

09.30 Lectio Magistralis **Sir Salvador Moncada** (University of Manchester, UK) Fighting Cancer: Recent Experiences and Potential Future Direction

10.00 **Bruno Sepodes** (University of Lisbon, Portugal & European Medicines Agency) A European Perspective on the Advancement of Regulatory Science

10.20 **John Joseph Borg** (Malta Medicines Authority & European Medicines Agency) How to use Real-World Evidence to Support the Regulatory Decision-Making

10.40 **Paola Pace** (IRBM, Italy) Challenges and Opportunities in the Drug Discovery Process and Intellectual Property Rights Protection

11.00 **Boris Zhivotovsky** (Karolinska Institutet, Sweden) Toxicology in the Modern Era: does Cell Death Research fit in it?

11.20 Coffee break

11.45 PhD Honoris Causa in Biochimica e Biologia Molecolare to **Guido Kroemer** (University of Paris Descartes, France) Preparation for the Ceremony

12.10 Lectio Magistralis **Guido Kroemer** Immunogenic Cell Death

13.15 Proclamazione e chiusura della Cerimonia

SCIENTIFIC COMMITTEE

Patrizia Aducci, Full Professor of Plant Physiology, Tor Vergata

Roberto Bei, Full Professor of General Pathology, Tor Vergata

Sergio Bernardini, Full Professor of Clinical Biochemistry, Tor Vergata

Eleonora Candi, Full Professor of Molecular Biology, Tor Vergata

Antonella Canini, Full Professor of General Botany, Tor Vergata

Francesca Ceccherini Silberstein, Associate Professor of Microbiology, Tor Vergata

Maria Rosa Ciriolo, Full Professor of Biochemistry, Tor Vergata

Valeria Conte, Director of the Department of Chemical and Technologies, Tor Vergata

Alessandro Finazzi Agrò, Former Rector, Tor Vergata

Enrico Garaci, Former Rector of Tor Vergata

Grazia Graziani, Full Professor of Pharmacology, Tor Vergata

Renato Lauro, Former Rector, Tor Vergata

Silvia Licocchia, Deputy Rector for Research, Tor Vergata

Gerry Melino, Full Professor of Biochemistry, Tor Vergata

Giuseppe Nisticò, General Director, EBRI Rita Levi Montalcini Foundation, Rome

Robert Nisticò, Coordinator of the Degree Course in Pharmacy, Tor Vergata

Giuseppe Novelli, Rector, Tor Vergata

Ettore Novellino, Full Professor of Medicinal Chemistry, University of Naples Federico II

Carlo Nucci, Director of the Department of Experimental Medicine, Tor Vergata

Maurizio Paci, Former Dean of the Faculty of Sciences, Tor Vergata

Giuseppe Palleschi, Full Professor of Analytical Chemistry, Tor Vergata

Mauro Piacentini, Full Professor of Cellular and Molecular Biology, Tor Vergata

Paolo Preziosi, Emeritus Professor of Pharmacology, Catholic University of Rome

Olga Rickards, Director of the Department of Biology, Tor Vergata

Orazio Schillaci, Dean of the Faculty of Medicine and Surgery, Tor Vergata
