The ranking will be based on the overall score obtained by the English TOLC-F and the oral interview. Candidates who have obtained a score equal to or greater than 28/70 (sum of the minimum scores foreseen in the two tests) will be considered eligible.

In the case of a tie, the youngest candidate will prevail.

The General Ranking list - which will indicate the students who are authorised to enrol - will be published on the University website <http://web.uniroma2.it/> on the Macroarea of the School of Science website <http://www.scienze.uniroma2.it/>, and on the site of the Master of Science in Pharmacy <https://farmacia.uniroma2.it/>.

The publication of the ranking will be considered in all respects as an official communication of the results. No other form of communication of the general ranking list is admitted.

PLEASE NOTE: A specific ranking will be proposed for non -EU citizens residing abroad who apply for a study visa.

The **publication of the merit ranking** is expected from the **27th July 2022**.
